

INNOVATIONS IN CRANIO-MAXILLOFACIAL RECONSTRUCTION: Advanced Techniques and Emerging Technologies

WEDNESDAY 16 JULY 2025 – LIVERPOOL, UK

AO CMF is proud to collaborate with IAOO for a whole day pre-congress symposium exploring the critical elements of H&N/Maxillofacial Reconstruction.

- World-leading Global Faculty
- Expert Multidisciplinary Understanding (Surgeons, Prosthodontists, Technical Physician Specialists)
- Critical Insights into complex custom planning

- Jaw-In-A-Day reconstruction (Pearls & Pitfalls)
- Extended Virtual Surgical Planning (VSP)
- Complex H&N Reconstructive Surgery
- Cutting edge Innovation & Horizon Scanning (Robotics, Augmented Reality, AI tools)

An unrivalled event covering both the depth and the detail behind successful reconstruction. An event not to be missed for all those involved in complex reconstruction of the Head & Neck/ Maxillofacial Defect:

- Senior Surgeons seeking the next step in surgical innovation
- Higher Surgical Trainees expanding their knowledge and understanding
- Maxillofacial Prosthetists & Technicians
- All surgical backgrounds (Oral & Maxillofacial, ENT, Plastic Surgery, Head & Neck)

Neal D. Futran, MD, DMD
